

Event Photography

Our Event photography package is specifically designed for high volume events, such as Balls, Parties, Conferences and Corporate events. This involves traditional style portrait photography using the latest digital technology. We can print on the night or after an event producing high quality prints at 10x 8 or 5 x 7 outputs.

Whatever the event; just plain fun, formal or fancy dress we have backgrounds to suit all event types. The option for branded sleeves give people a special reminder of the event.

Give your guests a real treat with the opportunity to obtain an Instant professional shots of them at your event .
