

# Watch Me Dance

Vital Attractions are Proud to present this fantastic attraction Watch Me Dance. Where guests can see themselves as never before on the body of animated characters lip-syncing live to the music.

This hilarious attraction suits all functions as a main or side attraction. As a main attraction this can be put on stage as up to three people come up to perform and this can be linked to screens on stage or throughout the venue.

There is nothing funnier than sending people up, especially friends and work colleagues letting themselves go and becoming the pop star. The bonus is each performer instantly receive their own DVD to take away.
