

FAQs Watch Me Dance

What is Watch me dance

This is simply the best attraction on the market at present it provides guests with entertainment watching their friends heads superimposed lip-syncing to well known records on animated bodies.

Where it can be used

As a main or side attraction. As a main attraction this can be put on stage as people come up with one or two of their friends to perform and this can be linked to screens on stage or throughout the venue. Suitable for all events, promotions and exhibitions. This is a real crowd puller, entertaining to watch and fun to participate in.

What's the point of it

There is nothing funnier than sending people up, especially friends and work colleagues letting themselves go and becoming the pop star.

This can be used at any gathering where people want to share the fun

Create your own

What is unique about watch me dance is that only Vital Attractions can make your own bespoke themed animations for promotions themed events music video promotion or film promotions.

Even better

At the end of the three minute set, all pop stars get their own dvd to show to all. The jewel cover can be themed also with company logos or using Amazing pictures we can take a picture and superimpose them onto the animated body to make the jewel cover. (See Just Amazing Pictures).

What's the result

As with all our attractions it is self contained we aim to turnover people at a rate of up to 3 people per video and disc recorded in 3 minutes, files can also be send to mobiles for use in promotions and all dvds and royalties are included in the costs.
